

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

APRIL 26, 2005

In his request for budget appropriation adjustments for Fiscal Year 2004-05, the CAO is recommending that the Board of Supervisors commit \$20 million for the potential seismic repair/replacement of the Kenneth Hahn Hall of Administration. There does not appear to be any urgency to committing these funds, particularly when there are many unresolved issues relative to this project.

The Board has yet to decide whether to repair the Hall or to build a new building. Litigation between the County and its insurers is still pending. Although the County will receive compensation from a private developer relative to the Grand Avenue Project, a portion of which may be committed to the Hall, the developer has yet to submit a detailed plan for the Board's review.

I, THEREFORE, MOVE that the Board of Supervisors direct the CAO to retain the \$20 million in the Appropriation for Contingency.
